

INVITATION

# Discuss the Management of Advanced Hepatocellular Carcinoma (HCC) with your peers

A/Prof Anouk Dev and expert panelists are coming together to bring you an evening of interactive discussion on real world case studies identified from centers across Victoria. This event has been coordinated by independent steering committee members A/Prof Anouk Dev, Prof Stuart Roberts, A/Prof John Lubel and A/Prof Lara Lipton. The evening will include discussion around local challenges faced in the **Management of Advanced Hepatocellular** from an MDT perspective, and how these challenges might be addressed.
